

Genuine Machine Products, Inc.

GENERAL CONDITIONS OF PURCHASE APPLICABLE TO ALL ORDERS

1. TERMS & CONDITIONS

No terms and conditions other than the terms and condition set forth in this order, including those terms and conditions in any document attached to or incorporated by reference in this order, shall be binding upon Purchaser unless accepted by it in writing. Terms and conditions contained in any acknowledgement of this order which are different from or in addition to the terms and conditions of this order shall not be binding on Purchaser and specifically objects to any terms and conditions which are different from or in addition to the provision of this order. This order becomes the exclusive agreement between the parties when accepted by acknowledgement, commencement, or performance.

2. COMPLIANCE WITH LAWS

Seller warrants and certifies that in the performance of this contract it will comply with all applicable statutes, rules, regulations and orders of the United States and of any state or political subdivision thereof including laws and regulations pertaining to labor, wages, hours and other conditions of employment, applicable price ceilings, if any, packaging and labeling of goods and that the articles delivered hereunder shall be produced in compliance with the Fair Labor Standards Act. The seller agrees to indemnify and save harmless the Purchaser or its customers from any and all liability, loss, damage, expense, including attorneys fees, arising from the violation of any such law or regulation.

3. EXTRA CHARGES AND PACKAGING REQUIREMENTS

No charges of any kind, including charges for boxing and cartage, will be allowed unless specifically agreed to by Purchaser in writing. Seller shall be responsible for packing and packaging necessary to withstand transportation hazards. Price shall cover net weight, unless otherwise agreed. Packaging requirements for shipments of Commercial Bills of Lading must meet commercial standard and accepted practices of the industry with full protection of the material to ultimate destination and must conform to governing classifications, including, but not limited to Uniform Freight Classification for rail – National Motor Freight Classification for truck – Railway Express Classification for express – U.S. Official Postal Manual, for parcel post – Official Air Freight rules, Tariffs, for air freight.

4. TRANSPORTATION

Unless otherwise stipulated on the face of this order, goods covered by this order shall be shipped "FOB" Seller's plant. Title to said goods shall pass to Purchaser upon delivery to carrier. However, all transportation charges must be prepaid. No charges for unauthorized transportation will be allowed. Purchaser carries insurance on all material to which it has title while such material is in transit. Therefore Seller shall not declare any value on such material shipped via United Parcel Service, Rail Express, Air Express, Air Freight, or Parcel Post. Seller shall release rail or truck shipments at the lowest released valuation permitted in the governing tariff or classification. If Seller does not comply with Purchaser's delivery schedule, Purchaser may in addition to any other rights which Purchaser may have under this order, require delivery by fastest way. Charges resulting from such premium transportation must be fully prepaid and borne by Seller. The provisions of this clause shall in no way limit Purchaser's right to inspect and reject the goods covered by this Order upon receipt.

5. INVOICING AND MARKING

Two copies of invoices must be mailed to Purchaser on date shipment is made. Separate invoices must be furnished for each shipment under this order showing point of shipment and routing. Attach to invoice original bill of lading and express bill for any prepaid express or freight shipment. Packages must be marked with Seller's name and Purchaser's purchase order numbers, and is to contain one copy of the complete list of materials contained therein. Each package must be identified with the contents as shown on the shipping or packing list. Any extra expense or due to lack of above information will be deducted from Purchaser's remittance in payment of Seller's invoices.

6. DELAYS IN DELIVERY

Seller will strictly adhere to the delivery and completion schedules specified in this purchase order, and agrees that time is of the essence in the delivery of all goods hereunder. If, at any time, Seller believes that it may be unable to comply with the required delivery or completion schedules, Seller shall immediately notify Purchaser in writing of the probable length of any anticipated delay and the reasons for it, and shall continue to notify Purchaser of any significant change in delivery status. In the event of such notice or of an actual failure by Seller to comply with the delivery or completion schedules, Purchaser may in addition to all other remedies, require Seller, at Seller's expense to ship good via air freight or other expedited routing to avoid or minimize delay.

Genuine Machine Products, Inc.

7. REJECTIONS

If any of the goods are found at any time to be defective in material or workmanship, or otherwise not in strict conformity with the requirements of this order. Purchaser, in addition to any other rights which it may have under warranties or otherwise, may, at its option, correct or have corrected the non-conformity at Seller's expense or reject and return such goods at Seller's expense. Such goods are not to be replaced without specific written authorization from Purchaser.

8. PURCHASER'S PROPERTY

Unless otherwise agreed in writing or unless subject to FAR, all tools, equipment or materials of every description furnished to Seller by Purchaser or specifically paid for by Purchaser and any replacement thereof or any materials affixed or attached thereto, shall be plainly marked or otherwise adequately identified by Seller as Buyer's property and shall be safety stored separate and apart from Seller's property. Seller shall not substitute any property for Purchaser's property and shall not use such property except in filling Purchaser's order. Such property while in Seller's custody or control shall be held at Seller's risk and shall be kept insured by Seller at Seller's expense in an amount equal to the replacement cost with loss payable to Purchaser. Such property shall be subject to removal at Purchaser's written request, in which event Seller shall prepare such property for shipment and shall deliver it to Purchaser within ten (10) days of Purchaser's written request in the same condition as originally received by Seller reasonable wear and tear accepted, all at the Seller's expense.

9. CHANGE CONTROL

Purchaser may at any time by written notice make changes in the quantities ordered specifications, designs, or drawings, samples or other description to which the articles are to conform in methods of shipment and packaging or place of delivery. If any such change causes an increase or decrease in the cost of or the time required for the performance of any part of the work under this order whether changed or not changed by any such change order a, an equitable adjustment shall be made in the price or delivery schedule or both and this order modified in writing accordingly. Nothing in this clause shall excuse the Seller from proceeding without delay to perform this order as changed. Seller shall immediately notify Purchaser of any effect on price or delivery with written confirmation to follow within ten (10) days.

All Seller procured supplies/services which become a part of the item(s) delivered in accordance with this order shall conform to drawing(s) and specification(s) requirements in their latest applicable revision or issue. Seller's system shall assure: Purchase Order flow-down of applicable quality and technical requirements, Seller's capability to produce items and adequate methods of assuring compliance. Seller's suppliers shall be required to flow-down and verify requirements of supplies/services they subcontract.

When notification is required from the Purchaser to the Seller, due to a changed drawing or specification, a PO change will be prepared by the Purchaser and a revised PO will be issued to the Seller. If in the event that it is necessary to "Stop Work", then the Purchaser will immediately notify the Seller to stop work pending further instructions.

10. DEVIATION OR CHANGE

Seller must report any proposed deviation or change (before the fact), or any departure (after the fact), from the drawings, specifications, or other requirements of the Purchase Order to the Purchaser for consideration by the Purchaser's Material Review Board. No changes in materials, processes, procedures, design interfaces or software which might affect fit, form, function, safety, weight, maintainability, service life, reliability, replaceability, or interchangeability of the supplies to be delivered to the Purchaser will be made without prior written approval from the Purchaser. Additionally, the Purchaser shall be notified prior to any major plant rearrangement, plant relocation request for change, or notification of plant movement.

11. PRODUCTS, METHODS, AND MANUFACTURING PROCESS

Any knowledge or information which Seller shall have disclosed or may hereafter disclose to Purchaser incident to the placing and filling of this order shall not, unless otherwise specifically agreed upon in writing by Purchaser be deemed to be confidential or proprietary information and accordingly shall be acquired free from any restriction. No employee of Purchaser has authority to make any agreement express or implied limiting use or publication of or providing for confidential treatment of information or suggestions of whatever kind received by him unless such agreement is made in writing and signed by the Purchaser's General Manager or his delegated representative.

12. NON-ASSIGNMENT

Assignment of this order or any interest therein or any payment due or to become due thereunder without the written consent of Purchaser, shall be void.

Genuine Machine Products, Inc.

13. SET-OFF

Purchaser shall be entitled at all time to set-off any amount owing at any time from Seller to Purchaser or any of Purchaser's affiliated companies against any amount payable at any time by Purchaser in connection with this order.

14. BANKRUPTCY

If seller ceases to conduct its operations in the normal course of business (including inability to meet its obligations as they mature) or if any proceeding under the bankruptcy or insolvency laws is brought by or against Seller, or a receiver for Seller is appointed or applied for or an assignment for the benefit of creditors is made by Seller, Purchaser may terminate this order without liability except for deliveries previously made or for goods covered by this order which are at that time already then completed and which are subsequently delivered in accordance with the terms of this order.

15. WORK ON PURCHASER'S OR ITS CUSTOMER'S PREMISES

If Seller's work under this order involves operations by Seller on the premises of Purchaser or one of its customers, Seller shall take all necessary precautions to prevent the occurrence of any injury to person or property during the progress of such work and except to the extent that any such injury is due solely and directly to Purchaser's or its customer's negligence, as the case may be, shall indemnify Purchaser against all loss which may result from any act or omission of the Seller, its agents, employees, or subcontractors, and Seller shall maintain such Public Liability, Property Damage and Employee's Liability and Compensation and Occupational Disease Acts. Without in any way limiting Seller's responsibility under this Clause when on the premises of Purchaser or Purchaser's Customer, Seller's employees shall be subject to and will follow the work site safety rules and regulations.

16. RIGHT OF ENTRY/ACCESS

Purchaser reserves the right to Seller's facility – at any time during performance under this order for the purposes of inspecting any or all of the material included in this order or the records associated with the material; or having given reasonable notice, for the purpose of auditing Seller's quality system or quality of work. Purchaser also reserves these rights for authorized representatives of its customer and/or the Government or Regulatory Agencies. This applies to all facilities involved in the order and to all applicable records.

17. INSPECTION

- a. All goods (which term throughout this order includes without limitation raw material, components, intermediate assemblies and end products) shall be subject to inspection and test by the Purchaser and its Customer (which term throughout this clause shall include without limitation the government including its surveillance and/or regulatory agencies if this order is placed pursuant to Government Prime or Subcontract to the extent practicable at all times and places including the period or manufacture and in any event prior to final acceptance by the Purchaser and its Customer.
- b. If any inspection or test is made on the premises of Seller or its suppliers, Seller, without additional charge, shall provide all reasonable facilities and assistance for the safety and convenience of the inspectors in the performance of their duties. All inspections and tests of the premises of Seller or its supplier shall be performed in such a manner as not to unduly delay the work.
- c. Final acceptance or rejection of the goods shall be made within a reasonable time following delivery, except as otherwise provided in this order. Failure to inspect and accept or reject goods shall neither relieve Seller from responsibility for such goods as are not in accordance with the order requirements nor impose liabilities on Purchaser therefor.
- d. Seller shall provide and maintain an inspection and process control system similar to AS9100/ISO-9001 which is acceptable to Purchaser and its Customer covering the goods hereunder. Records of all inspection work by Seller shall be kept complete and available to Purchaser and its Customer during the performance of this order and for such longer periods as may be specified in this order.
- e. The Seller's Calibration system shall conform to the requirements of MIL-STD-45662, ANSI/NCSL Z540-1, or ISO-10012-1 in that only current calibrated equipment traceable to a national standard shall be used for product acceptance.
- f. If at any time the supplier detects a process violation, purchase order noncompliance, raw material or part nonconformance, Genuine Machine Products shall be notified as soon as practicable. Nonconforming material or parts shall be documented and submitted to Genuine Machine Products. Non-conformances shall indicate the nature of the discrepancy with root cause and corrective action. A copy of the nonconformance document shall accompany each affected shipment.
- g. Suppliers do not have MRB authority for Genuine Machine Products

Genuine Machine Products, Inc.

- h. Supplier is responsible for ensuring all items procured from its subcontractors conform to all requirements of Genuine Machine Products purchase order. Supplier shall ensure all applicable provisions of this document are flowed to its subcontractors.
- i. Supplier shall notify Genuine Machine Products (Buyer) in advance of any changes in product or process with written approval by Genuine Machine Products and/or buyer's customer. Changed articles shall be clearly identified from previous articles.

18. REQUIREMENTS TO MAINTAIN ASSEMBLY RECORDS

When specifications or drawings require Seller to serially number assemblies Seller shall maintain records of all such serially numbered assemblies by part number and serial number. In addition when such specifications or drawings require Seller to serially number detail parts of said assemblies Seller shall maintain records of the source, drawing number and serial numbers of such detailed units. Seller shall maintain all such records for ten (10) years from the date of completion of this order, unless a longer period is called in the time of this order.

19. PURCHASERS RESERVATION OF RIGHTS IN DATA

Seller agrees that any information received or to be received from Purchaser is the proprietary property of Purchaser and such information shall only be used for the purposes of this order. Without written approval from the Purchaser, Seller shall not except as necessary for the performance of this order.

20. PATENT IDEMNITY

Seller shall defend at its own expense any suit or proceeding brought against Purchaser or its customers so far as based on a claim that any goods, or the normal use thereof (except goods designed in detail by the Purchaser), furnished under this order constitute any infringement of any patent of the United States or any foreign country, if notified promptly in writing and given authority, information and assistance (at Seller's expense) for the defense of same, and Seller shall pay all damages and costs awarded therein against Purchaser or its customers. In case the use of said goods, or any parts, is enjoined, Seller shall at its own expense and at its option, either procure for Buyer and its customers the right to continue using said goods or parts, or modify them so they become non-infringing, or with the approval of Purchaser, remove said goods and refund the purchase price and the transportation and installation costs thereof.

21. ARIZONA SALES TAX

(Applicable only to orders placed by Purchaser in the State of Arizona.) The State of Arizona has issued a Resale Permit Number to this company as indicated on the face of the order authorizing it to purchase tangible personal property, without payment of the tax at the time of purchase.

22. RELEASE OF PUBLIC INFORMATION

No public disclosure (including, without limitation, photographs, films, announcements and denials or confirmations) with respect to this order, the subject matter, or any phase of any program, shall be made without the prior written approval of Purchaser.

23. MATERIAL TEST CERTIFICATION

By acceptance of this purchase order Seller certifies that goods supplied shall strictly conform to all requirements of this purchase order, and that objective evidence of conformance to each specific drawing and specification (in its latest applicable revision or issue) required by the purchase order is on file and available for examination by Purchaser. Seller shall provide a Certificate of Conformance with each shipment. Each lot or shipment of castings, forging, raw material or finished parts made to specifications that require reporting of numerical test results, shall be accompanied by a copy of a certified Laboratory Test Report formulated in accordance with said specifications and made by or at the order of Seller which lists the numeric results of the specific tests.

24. PREFERENCE FOR DOMESTIC SPECIALITY METALS

All materials provided by seller must be domestic and in compliance with the provisions of DFARS 252.225-7014 Alternate I. Seller must assure that any specialty metals incorporated in deliverables be melted in the United States, in a qualifying country, or incorporated in an article manufactured in a qualifying country. Seller must insert the substance of this Term and Condition in all subcontracts for items containing specialty metals. "Qualifying Country" means any country listed in subsection 225.872-1 of the Defense Federal Acquisition Regulation Supplement (DFARS).

Genuine Machine Products, Inc.

“Specialty Metals” means:

- (i) Steel –
 - (a) With a maximum alloy content exceeding one or more of the following limits: manganese, 1.65%; silicon, 0.60%; or copper, 0.60%; or
 - (b) Containing more than 0.25% of any of the following elements: aluminum, chromium, cobalt, columbium, molybdenum, nickel, titanium, tungsten, or vanadium;
- (ii) Nickel, iron-nickel, and cobalt base alloys containing a total of other alloying metals (except iron) in excess of 10%;
- (iii) Titanium and titanium alloys; or
- (iv) Zirconium and zirconium base alloys.

25. WARRANTIES

Seller warrants that all goods delivered hereunder will strictly conform to all requirements of this order (including all applicable descriptions, specifications, and drawings): and will be free from defects in material and workmanship: and, to the extent not manufactured pursuant to detailed designs furnished by Purchaser, be free from all defects in design and will be merchantable and fit for the intended purposes. Seller’s warranties (and any more favorable warranties, service policies, or similar undertakings of Seller in favor of any other customer) shall be enforceable by Purchaser’s customers and the users of Purchaser’s goods, as well as by Purchaser.

26. TERMINATION

Purchaser may terminate this order in accordance with the provisions of Clause 52.249-2 of the Federal Acquisition Regulations in effect as of the date of this Order. Such Clause is incorporated in this Order by reference with the following modifications: “Contracting Officer” means Purchaser’s Purchasing Representative, and “Government” means Purchaser except in paragraph (m). “Contractor” means Seller. In paragraph (c) the term “45 days” is changed to “90 days”. The term “1 year” in paragraph (d) is changed to “6 months”. If this order is not related to a U.S. Government prime or sub-contract, the audit of Seller’s books and records shall be conducted by Purchaser or if Purchaser is unable or unwilling, such audit shall be conducted by a mutually acceptable independent certified public accounting firm.

27. PRECEDENCE

Conflicting provisions hereof, if any, shall prevail in the following descending order of precedence:

- a. Typed provisions on the face of this order.
- b. Purchase Order attachment.
- c. The printed portion of this order including these terms and conditions, and
- d. Specifications attached or incorporated by reference. Purchaser specification shall prevail over those of any agency of the U.S. Government and both shall prevail over those of the Seller.

28. WAIVER

The failure of Purchaser to insist on performance of any provision of this Order shall not be construed as a waiver of that provision in any later instance.

29. DEFAULT

Purchaser may terminate this order or any part hereof by written or telegraphic notice of default to Seller signed by Purchaser, under any of the following circumstances.

- a. If Seller refuses to make deliveries or perform the services within the time specified or extensions thereof agreed to in writing by Purchaser.
- b. If Seller fails to comply with any of the provisions of this purchase order or so fails to make progress as to endanger performance of this order in accordance with terms.
- c. If Seller becomes insolvent or is subject to proceedings under the laws relating to bankruptcy, insolvency or the relief of debtors. In the event of default Purchaser may purchase similar parts, materials or services elsewhere or secure the manufacture and delivery of parts, materials, services or otherwise and Seller shall be liable to Purchaser for any

Genuine Machine Products, Inc.

excess costs to Purchaser, provided, however, that Seller shall not be liable to Purchaser for any such excess costs when the default of the seller is due to Causes beyond its control and totally without its fault or negligence, provided further that Seller shall not be excused from liability unless Seller has notified Purchaser immediately and confirmed in writing the existence of such cause within ten (10) days from the beginning thereof. Any termination by Purchaser, whether by default or otherwise shall be without prejudice to any claims to damages or any other rights of Purchaser against Seller.

30. OVER SHIPMENT/ADVANCE SHIPMENT

Purchaser reserves the option to return any goods to the Seller at seller's expense that are received by Purchaser more than thirty (30) days prior to the delivery schedule date specified on the purchase order without first obtaining shipping authorization from Purchaser's Purchasing representative.

31. NOTICE OF LABOR DISPUTES

Whenever Seller has knowledge that may present or potential labor dispute is delaying or threatens to delay the timely performance of this contract, Seller shall immediately give notice thereof including all information relevant thereto to Purchaser. Seller agrees to insert the substance of this provision, including this sentence, in any lower-tier subcontract hereunder wherein a labor dispute might delay timely performance of this contract.

32. ANTI-KICKBACK

The statute entitled "Anti-Kickback Act of 1986" (41 USC 51-58) is incorporated herein by reference:

- a. By its acceptance of this purchase order or subcontract, Seller warrants and represents to Purchaser that neither Seller nor any lower-tier subcontractor of Seller nor any person acting on behalf of any of them has engaged nor will engage in conduct prohibited by Section 3 of the Anti-Kickback Act of 1986 (41 USC 51-58) relating to this purchase order or subcontract or any lower-tier purchase order or subcontract.
- b. Purchaser shall have the right to withhold from any sums due Seller under this purchase order or subcontract if so directed, pursuant to Section 6 of the aforesaid Act or pursuant to Subparagraph (4) (11) of the Anti-Kickback Procedures Clause, by the contracting officer or agency cognizant of the applicable prime contract under which this purchase order or subcontract is awarded. For purpose of this Clause, the definitions of the terms "subcontractor", "subcontract" and "person" shall be those set forth in section 2 of the aforesaid Act.
- c. Seller agrees to incorporate the substance of the Anti-Kickback Procedures Clause (FAR 52.203-7) in all purchase orders and subcontract.

33. DISPUTES

Pending the final resolution of any dispute involving this purchase order, Seller agrees to proceed with performance of this purchase order, including the delivery of goods, in accordance with Purchaser's instructions.

- a. Seller shall submit to Purchaser's authorized Purchasing Representative a written demand for Purchaser's final decision regarding the disposition of any dispute between the parties relating to this order, unless Purchaser on its own initiative has already rendered such a final decision. Any Purchaser's final decision shall be expressly identified as such, shall be in writing and shall be signed by Purchaser's authorized Purchasing Representative, except that Purchaser's failure to render a final decision within ninety (90) days after receipt of Seller's demand shall be deemed a final decision adverse to Seller's contentions.
- b. Purchaser's final decision shall be conclusive and binding regarding the dispute unless Seller commences an action to contest such decision within ninety (90) days following the date of the final decision or within one (1) year following the accrual of the cause of action, whichever is later.
- c. Seller shall cooperate fully with Purchaser in seeking a resolution of any dispute involving this purchase order under the disputes procedures set forth in any applicable Government prime or higher-tier contract. If Purchaser elects to follow such procedures, Seller shall be bound by the final outcome of the disputes procedure if:
 - (1) Purchaser has afforded Seller an opportunity to participate in Purchaser's conduct of the dispute: or
 - (2) Purchaser, having decided to discontinue its own processing of the dispute has afforded Seller an opportunity to take over such processing completely; provided, however that Seller agrees to inform and notify Purchaser as to status and outcome of the dispute proceeding.

Genuine Machine Products, Inc.

d. Purchaser and Seller shall each bear its own costs of processing any dispute hereunder.

34. RECORD RETENTION TIME

All records necessary to support compliance to the requirements of an issued Purchase Order from the Purchaser to the Seller, must be maintained for a minimum of seven (7) years if no other retention time is specified within the Purchase Order or elsewhere within this document. Purchaser shall notify the Seller prior to documentation to be destroyed beyond noted retention time.
